

Graduate Diploma of Executive Leadership

(Policing and Emergency Services)

The AIPM Graduate Diploma is a personal and organisational commitment to education and leadership development. The length and depth of study required for success demonstrates commitment, resilience and intellectual agility.

Leadership development through academic study builds a leader's maturing capability for high levels of critical thought and enables them to be a more discerning user of research. The AIPM Graduate Diploma focusses on the role of executives in organisational leadership.

Recent design changes to the residential session shift the focus from individual completion to group based collective achievement. The residential session actively nurtures a diversity of leadership thinking and innovation in practice for achieving better organisational outcomes.
